Lamb Knowledge (All answers can be found in the green project book)

1. How much fat should be over the ribs of a properly conditioned lamb?
2. What is the best blade to use for a close cut and greater safety?
3. Name one sign of a sick lamb.
4. True or False? Water is the most important part of a lambs diet.
5. What disease affects the lambs mouth?
6. Name a lamb body part. (Different than last year)

Project Evaluation

Animals Shown Check all that apply	Steer	Heifer	Mkt Hog	Mkt Lamb	Mkt Goat	Yrs. In Show

For each question below, place a check mark for your best answer.

	On my own	With my parent's help	My parents did this
I fed my animal			
I trained my animal			
I wrote letters to my buyers			

	Yes	No
I helped with the livestock fundraiser (Festival Supper in November)		
I am in a 4-H club		
If yes, my club had one or more programs on livestock		
If yes, I presented a program about livestock to the club		
If no, I want to be in a 4-H club		
If no, my parents want to be 4-H leaders		
I participated in the judging contest at the show		
I participate in out-of-county shows (State Fair, Circuit, etc.)		

Story

Write a story about your project. Include any unusual event, any learning experience and what you would like to achieve with your livestock project. Include what you want to learn next year. Attach additional sheets, if necessary.
