

Brie will be covering:

### THE FOODSCAPE REVOLUTION

Thoughtful planting design can provide tangible solutions to everyday problems, and in this program gardening expert Brie Arthur shares advice on how every person can contribute in a positive way! Combining easy to apply advice from both of her books, learn about creative combinations to grow a beautiful and bountiful garden in central North Carolina. This program will offer fresh and practical gardening advice no matter your skill level.

### BUILDING A NATIVE GARDEN FROM SCRATCH

One year after breaking ground on a new native garden, local author and horticulturist Brie Arthur shares insights on what to do and what not to do! Brie will explain the process, site preparation, plant selection, and the long-term management goals for this low maintenance, high impact space featuring the best native varieties for central North Carolina.

Brent will be covering:

### Bulbs as Companion Plants

Whether you are planning to plant bulbs in a fresh, newly prepared empty garden, or whether you are adding them to an already existing one, Brent and Becky Heath, 3<sup>rd</sup> generation bulb growers and owners of Brent and Becky's Bulbs from Gloucester, Virginia, will have the answers for you! With exquisite slides illustrating the seminar, they will introduce you to the best of the best.....the right bulbs for the right spots. They'll show you how to combine bulbs, perennials, annuals, ground covers and flowering shrubs that will create just the feeling you want to generate for three seasons in your garden. After seeing and experiencing this seminar, you'll leave with information and inspiration to produce a garden that you, your neighbors, and friends will enjoy all year.

### Tropical and Temperate Bulbs of Summertime

From the tropical rain forest, the sunny shores of the Mediterranean, the veldt of South Africa and the slopes of the Andes, come bold, lush leaves and a myriad of stunning diverse flowers of summer bulbs. Brent and Becky Heath, bulb growers from Gloucester, Virginia and owners of Brent and Becky's Bulbs, will give you ideas on how to weave these spectacular bulb plants into your own relaxing, tropical garden getaway. They will show you with breath-taking slides how to integrate summer bulbs with annuals, perennials, ground covers, trees and shrubs to create your own ultimate patio planter, window box, living sculpture or jungle. You'll also gather ideas on how to build the ultimate Evening Garden including luminescent, light colored, fragrant flowers.
